I want to say thank you to each one who helped in any way to get the information needed for this book. As you will note there are some dates and other information missing that I was unable to get. If there are any errors, I wish you would let me know so I can make the corrections in my family record.

When our reunions first started all the families except one were living in Iowa, near the old homestead, and now they are scattered from California to the east coast.

Our forefathers were born in Germany. Peter Brenneman, father of Christian Brenneman, came to America and settled in Holmes Co., Ohio, and later came to Johnson Co., Iowa, where he died in 1889. He and his wife, Barbara, are buried two miles east and one and one quarter mile south of I.M.S.

Maynard and Bertha Brenneman
